Re: PM-1322 (EPO)
Application No. 89307361.9

Dear Jim:

I have reviewed John Bass's June 3, 1993 letter enclosing the latest official action in this case. I believe we should proceed as he suggests, including conforming the specification to the claims. If you agree, please let me know and I will pass your instructions on to John, or you may let John know directly.

A response is due September 26, 1993.

Very truly yours,

JHI:bas
